**APPROVED**

Owner Chris Harding met with the Board regarding a sign proposal for his business Advanced Computer Repair located at 253 Route 202. One sign will be placed on the building façade. It reads "Advanced Computer Repair" on the top line and "Laptop & Tablet Virus Removal Upgrades" on the bottom line, in non-reflective metallic silver lettering on a navy blue background. This sign is 84" wide by 16" high.

The second sign is 43" wide by 15" high and will be placed on the double sided existing roadside directory. The lettering color and background is the same and it will read "Advanced Computer Repair" on the top line with the phone number on the bottom.

The lettering as presented on both signs has shadowing. New renditions will be presented without the shadowing so that the signs are easier to read.

A motion was made by Mr. Alfonzetti and seconded by Mr. Nash to approve the sign

proposal as submitted with the recommendation that the letter coloring be adjusted to be more legible. All were in favor. A resolution will be sent to the Building Department, with a copy to Mr. Harding.
